## Independent Auditors' Report

To the Members of **Exato Technologies Private Limited**

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the standalone financial statements of **Exato Technologies Private Limited** ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statement of profit and loss, for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its **profit**, for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

# DPAK AND ASSOCIATES

CHARTERED ACCOUNTANTS

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls, if applicable on the company.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

# DPAK AND ASSOCIATES

CHARTERED ACCOUNTANTS

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. The provisions of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 is applicable to the Company. Report on CARO-2020 enclosed herewith as **Annexure-A**.

## Annexure "B" to Independent Auditors' Report

The Annexure B referred to in our report to the members of **EXATO TECHNOLOGIES PRIVATE LIMITED** ("the Company") on the standalone financial statements for the year ended March 31, 2024, we report that:

We have audited the internal financial controls over financial reporting of **EXATO TECHNOLOGIES PRIVATE LIMITED** ("the Company") as at March 31, 2024, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's responsibility for internal financial controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our

audit opinion on the Company's internal financial control system over financial reporting.

## Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Other matters

We bring to the attention of the users that the audit of the internal financial control system over financial reporting and the operating effectiveness of such internal financial controls over financial reporting has been performed remotely in the conditions more fully explained in the Other Matters Paragraph of our Independent Audit Report on the audit of the Financial Statements.

**Note 2 Significant Accounting Policies**

**i Basis of preparation**

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards referred to section 133 and relevant provisions of the Companies Act 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention, except for certain financial instruments which are measured at fair value. The accounting policies have been consistently applied and are consistent with those used in the previous year unless stated otherwise.

**ii Use of estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from those estimates. The significant estimates used by the management in the preparation of these financial statements include estimation of the economic lives of fixed assets and provision for employee benefits. Any revision to accounting estimates is recognised prospectively in the current and future periods.

**iii Classification of Assets and Liabilities as Current and Non Current**

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, twelve months has been considered as the Company's normal operating cycle for the purpose of current/ non-current classification of assets and liabilities.

### Assets

An asset is classified as current when it satisfies any of the following criteria :-

- (a) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realized within twelve months after the reporting date; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets will be classified as non current assets.

### Liabilities

A liability is classified as current when it satisfies any of the following criteria :-

- (a) it is expected to be settled in the Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within twelve months after the reporting date; or
- (d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities will be classified as non current assets.

#### iv Cash and Cash Equivalents

Cash and Cash equivalents comprises Cash at bank, Cash in hand and Short-Term Investments with maturity of three months or less, except where short term investments are required to be renewed as per terms and conditions.

#### v Property, Plant and Equipment (PPE)

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses. The cost of Property, Plant and Equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Borrowing costs directly attributable to acquisition of those assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Subsequent cost related to an item of Property, Plant and Equipment are recognised in the carrying amount of the item if the recognition criteria are met.

Items of property, plant and equipment retired from active use and held for disposal are stated at the lower of their carrying amount and net realisable value. Any write-down in this regard are recognised immediately in the statement of profit and loss.

Advances paid towards the acquisition of Property, Plant and Equipment assets outstanding at each balance sheet date and the cost of those assets not ready for their intended use before such date are disclosed as capital work-in-progress. Expenditure directly relating to expansion is capitalised only if it increases the life or functionality of an asset beyond its original standard of performance.

#### vi Depreciation

Depreciation on fixed assets is provided on written down value basis over the estimated economic useful life of the assets as prescribed in schedule II of the Companies Act, 2013. Where the Company estimates that the useful life of the assets is less than the prescribed life in schedule II, the former is considered for depreciation purpose. Leasehold improvements are depreciated over the useful life. The useful life of the assets are as follows :

Asset	Useful Life (in years)
Computer & Laptops	3
Furniture & Fittings	10
Office Equipment	5
Electrical Installations & Equipment	10
Leasehold Improvements	10
Plant & Machinery	15

#### vii Intangible Asset

Exato Technologies Pvt. Ltd.

Exato Technologies Pvt. Ltd.

*Appurva K. Senha*  
Director

*Swati Senha*  
Director

Intangible assets are stated at cost less accumulated amortisation and accumulated impairment losses. The cost of Intangible asset acquired comprises its purchase price including any import duties and other taxes (other than those subsequently recoverable by the enterprise from the taxing authorities) and any directly attributable expenditure on making the intangible asset ready for its use. And the cost of an internally generated intangible asset is the sum of the expenditure incurred from the time when it first met the recognition criteria for an intangible asset and the cost comprises all expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the intangible asset for its intended use.

Borrowing costs directly attributable to acquisition of those assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Subsequent expenditure on an intangible asset after its purchase or its completion are recognised in the carrying amount of the item if the recognition criteria are met.

An intangible asset is derecognised on disposal or when no future economic benefits are expected from its use and subsequent disposal. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised as income or expense in the statement of profit and loss.

Advances paid towards the acquisition, creating, producing and making the intangible asset outstanding at each balance sheet date and the cost of those assets not ready for their intended use before such date are disclosed as Intangible assets under development.

#### **Amortization of Intangible assets**

Intangible assets are amortized over their respective individual estimated useful lives, commencing from the date the asset is available to the Company for its use.

#### **viii Impairment of assets**

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Profit and Loss Account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount, subject to a maximum of depreciated historical cost.

#### **ix Revenue recognition**

Revenue is recognised on accrual basis unless otherwise stated.

Revenue from the sales of goods is recognized when the significant risk and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods and is measured at fair value of consideration received/receivable, net of return and allowance, discounts, volume rebates and cash discount.

Revenue from services is recognised based on services rendered to clients as per the terms of specific contracts. The sales of services are recorded at invoice value, net of GST, trade discount, and rebates, where applicable.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

Revenue from other income is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

#### **x Borrowing Costs**

Borrowing Costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalization of such asset is added to the cost of the assets.

**xi Foreign currency transactions**

**(i) Initial Recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

**(ii) Measurement of foreign currency items at the Balance Sheet date**

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

**(iii) Exchange Differences**

Exchange differences arising on the settlement of monetary items or on reporting of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise. Investments in shares of foreign subsidiaries are not restated at the end of the year.

**xii Employee benefits**

**Short-term employee benefits**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentives.

**Defined contribution plans**

In respect to retirement benefit in the form of Provident fund, the Company's Contribution paid/payable under the schemes is recognized as an expense in the period in which the employee renders the related service. The Company's contributions towards provident fund, which are being deposited with the Regional Provident Fund Commissioner, are charged to the Statement of Profit and Loss.

**Defined benefit plans**

The Company Provides for Gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a Lump sum payment to vested employees at retirement, death, incapacitation or termination of employment. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each reporting period. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the period in which they arise.

**Other Employee Benefits**

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits and the accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Actuarial Losses/ Gains are recognized in the Statement of Profit and Loss in the year in which they arise.

**xiii Operating leases**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account with reference to lease terms & other considerations.

**xiv Taxes on income**

Tax expenses for the period, comprising current tax and deferred tax, are included in the determination of net profit or loss for the period. Current tax are measured at the amount expected to be paid to tax authorities in accordance with the Income Tax Act, 1961

Deferred Tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, The Company re-assesses unrecognized deferred tax assets, if any. In case of unabsorbed losses and unabsorbed depreciation, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that can be realized against future taxable profit. At each balance sheet date the Company reassesses unrecognized deferred tax assets.

Minimum Alternative Tax credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

**xv Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

- xvi** The spread of Coronavirus Disease (COVID-19) has impacted the overall economy and business activities of the Company by way of interruption of operations during the lockdown period. The Company has made detailed assessments of the recoverability and carrying value of its assets comprising tangible/ intangible fixed assets, recoverable and other current assets as at the Balance Sheet date and on the basis of evaluation, has concluded that no material adjustments are required in the financial statements using the various information up to the date of the financial statements. On the basis of evaluation and current indicators of future economic conditions, the Company expects to recover the carrying amount of its assets and does not anticipate any impairment of these financial and non financial assets.
- Given the uncertainties associates with nature, condition and duration of COVID 19, the impact assessment of the Company's financial will be continuously made and provided for as required.

**xvii Provisions and contingent liabilities**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly in the control of the company or a present obligation that arises from past event where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.
